Benoit Dostie

Department of Applied Economics
HEC Montréal
3000, chemin de la Côte-Sainte-Catherine
Montréal, QC H3T 2A7 CANADA

Phone: 514-340-6453
email: benoit.dostie@hec.ca
url: https://www.hec.ca/en/profs/benoit-dostie

Current positions

2014- *Full Professor*, Department of Applied Economics, HEC Montréal
2022- *Holder*, Power Corporation of Canada Chair in Employer-Employee Dynamics, Earnings and Benefits, HEC Montréal
2026- *Scientific director*, Retirement and Savings Institute, HEC Montréal

Other titles

2015- *Associate professor*
Department of Economics, Université de Montréal

Fellow

2009- *Centre interuniversitaire de recherche en analyse des organisations (CIRANO)*
2006- *IZA Network at LISER (IZA@LISER)*

Research interests

Statistical models for linked employer-employee data, duration models, returns to human capital, matching model of the labor market, applied econometrics, firm performance, turnover.

Past positions

2015-2025 *Academic director*, Quebec Inter-University Center for Social Statistics (QICSS)
2020-2022 *Director*, Department of Applied Economics, HEC Montréal
2011-2014 *Director* Institute of Applied Economics, HEC Montréal
2011-2014 *Director B.A.A. program in applied economics* HEC Montréal
2009-2011 *Director, M.Sc. program in applied economics* HEC Montréal
2009-2011 *Director, M.Sc. program in applied financial economics* HEC Montréal

2007-2008 *Visiting Fellow* Cornell University ILR School
2007-2014 *Associate Professor* Institute of Applied Economics, HEC Montréal
2003-2007 *Director M.Sc. program in applied economics* HEC Montréal
2001-2007 *Assistant Professor* Institute of Applied Economics, HEC Montréal

Education

2001 Ph.D. in Economics, Cornell University
1996 M.A. in Economics, Université Laval
1994 B.A. in Mathematical Economics, Université Laval

Teaching

Graduate

Applied Econometrics and Statistical Learning in Economics, Ph.D. in Administration (Ph.D.)
Labor Economics, Master of Science in Administration (M.Sc.)
Applied Econometrics, Ph.D. in Administration (Ph.D.)
Research Workshop, Master of Science in Administration (M.Sc.)
Managerial Economics, Graduate Diploma in Management

Undergraduate

Introductory Econometrics, Bachelor of Business Administration (B.B.A.)
Microeconomics, Bachelor of Business Administration (B.B.A.)

Other

Instructor: "Working with Integrated Household Data Sets: The Complexities of Data Cleaning, Management, Organization and Analysis", African Economic Research Consortium (AERC) Training Workshop, Nairobi, Kenya, May 2002.

2004-2005 Social Science and Humanities Research Council of Canada, Initiative for the New Economy (INE Skills Research Initiative), "High-wage workers, high-skilled workers and the migration decision of physicians" (B. Dostie (resp.) and P.T. Léger)), 25 000$.

2002-2005 Fonds québécois de recherche sur la société et la culture, Programme de soutien aux équipes de recherche, 2002-2005 Gestion sociale et privée des risques (P. Lanoie (resp.), B. Dostie and 4 other researchers), 250 000$.

Infrastructure development grants

2023-2029 Social Science and Humanities Research Council of Canada and Canadian Institutes of Health Research (SSHRC / CIHR). Directed grant to the Canadian Research Data Center Network (CRDCN) (M. Veall (resp.), B. Dostie and 31 other researchers from Canadian universities), 17 400 000 $.

2022-2027 Fonds de recherche du Québec (FRQ)- Initiative AGORA - Centre interuniversitaire québécois de statistiques sociales (CIQSS), 1 741 400 $.

2021-2023 Social Science and Humanities Research Council of Canada and Canadian Institutes of Health Research (SSHRC / CIHR). 2-year extension to the directed grant to to the Canadian Research Data Center Network (CRDCN) (M. Veall (resp.), B. Dostie and 26 other researchers from Canadian universities), 2 900 000 $.

2017-2023 Canada Foundation for Innovation (CFI - Innovation Fund), "The CRDCN Transition to High Performance Computing: Liberating Data for Research and Policy" (B.G. Spencer (resp.), B. Dostie and 8 other researchers from Canadian universities), 2 700 000 $.

2016-2021 Social Science and Humanities Research Council of Canada and Canadian Institutes of Health Research (SSHRC / CIHR). Directed grant to to the Canadian Research Data Center Network (CRDCN) (B.G. Spencer (resp.), B. Dostie and 26 other researchers from Canadian universities), 14 500 000 $.

Conference organization grants

2016 Social Science and Humanities Research Council of Canada (SSHRC), Grant for the international conference "Future well-being of the Elderly" organised by the CIQSS, CIRANO and the Industrial Alliance Research Chair on the Economics of Demographic Change (P.C. Michaud (resp.), B. Dostie and 3 other researchers), 19 549 $.

Professional Memberships

Society of Labor Economist, American Economic Association, Canadian Economic Association, Société Canadienne de Sciences Économiques.

Professional Activities

2026- President of the *Canadian Statistics Advisory Council*.

2023- Main researcher of the theme *Skills*, CIRANO.

2019- Responsible of the CIRANO Pole on the Socio-economic Impacts of Digital Intelligence.

2016- *Member of the scientific committee*, Chaire de recherche sur les enjeux économiques intergénérationnels (CREEi).

2012- Member of the Scientific Committee of the *Centre d'accès sécurisé distant aux données* (CASD) (The French remote access service to microdata).

Past professional activities

2023-2026 *Member of the Canadian Statistics Advisory Council*

2017-2025 Board Member, *Canadian Research Data Centre Network (CRDCN)*.

2019-2023 Main researcher of the theme *Innovation and Digital Transformation*, CIRANO.

2020-2022 *Member of the evaluation committee NP21-09E* Program *Soutien à la recherche pour la relève professorale*, Fonds de recherche Société et culture du Québec.

2019-2022 Member of the Scientific Committee of the *Observatoire international sur les impact sociétaux de l'IA et de la transformation numérique (OBVIA)*.

2020 *Member of a Multidisciplinary Assessment Committee* Canadian Foundation for Innovation (CFI): 2020 Innovation Fund.

2020 *Editor* l'Actualité Économique.

2014-2019 *Associate Editor* l'Actualité Économique.

2017 *Member of the local organizing committee*, 2017 Annual conference of the Canadian Research Data Centers Network, November 14-15, 2017, McGill University.

2015-2016 *Executive Committee Member*, Canadian Research Data Centre Network (CRDCN)

2014 Member of the *Social Sciences and Humanities Research Council of Canada (SSHRC)* Insight Grants Economics Committee.

2013 Member of the *Social Sciences and Humanities and Research Council of Canada (SSHRC)*. Insight Grants Selection Committee.

2009-2012 Member of the administrative board, Société canadienne de science économique (SCSE).

2011 Member of the *Social Sciences and Humanities and Research Council of Canada (SSHRC)* Standard Research Grants Selection Committee for the *Economics* program.

2010 Member of the *Social Sciences and Humanities and Research Council of Canada (SSHRC)* Standard Research Grants Selection Committee for the *Economics* program.

2010 President of the *Social Sciences and Humanities and Research Council of Canada (SSHRC)* committee for the Canadian Initiative on Social Statistics (CISS) Research Data Center (RDC) Grant Renewal Adjudication Meeting.

2005 *Member of the local organizing committee*, 3rd Conference of the Canadian Research Data Centers, May 19-20th, HEC Montréal.
